

Country Pure Foods

Healthcare:

Maintaining high guest satisfaction scores is critical to the growth and success of healthcare systems. Your guests crave a more home-like experience. Our juices, plant-based milks, and frozen novelties can help you quench that craving while meeting your diverse menu needs.

Hospitals:

You strive to provide excellent, quality care to your guests. They expect quality service and great-tasting food and beverages. Providing Country Pure Foods juices, frozen novelties and plant-based milks for your guests, will support their high expectations and your service standards. Don't forget to check out our fun flavors that are perfect for Children's Hospitals!

Senior Living:

Country Pure Foods offers a variety of beverage options, including plant-based milks, and 100% juices. We offer both single service and bulk packaging, so choose the best solution to support both your employees need for efficiency and your desire to deliver great tasting beverages to your residents.

Get all your plant-based beverages, juices or frozen novelties from Country Pure Foods.

Contact your local Sales Representative or Distributor to get started.
